General Prayut Chan-O-cha

Prime Minister

Remark: - The reasons for the promulgation of this Ministerial Regulation are as follows. As it is expedient to prescribe fee concerning security guard business operation and licensed security guard which section 5 paragraph one and two of the Security Guard Business Act B.E. 2558 (2015) prescribed to the Prime Minister having the power to issue a Ministerial Regulation prescribing fee not exceeding the rate attached hereto. The rate of fee for security guard business operation may be fixed differently, taking into account the number of licensed security guards in each security guard company, it is therefore necessary to issue this Ministerial Regulation.
